

CACIT DOBŘÍŠ 2020

15th year

From 14th to 16th August 2020

Dear friends,

allow me to greet you sincerely and to invite you for the 15th year competition CACIT Dobříš 2020 according to IGP3 with awarding the title CACIT which is arranged in the town Dobříš near the capital Prague.

This International competition has obtained a really good name due to a quality performance, a good organization and friendly setting. Every year there are about 48 to 54 very good competitors of IPO.

We have succeeded to ensure the participation of the judges and helpers of a high quality. There will be judging Mrs. Jitka Jozová from Czech Republic (Phase A - Tracking), Mrs. Jitka Dufková from Czech Republic (Phase B - Obedience) and Mr. Berry Kleinhesselink from Nederland (Phase C - Defence). Helpers will be Mr. Vladimír Dragičević from Serbia (long attack), Mr. Milan Římek from Czech Republic (the first part of Defence) and Mr. Vojtěch Filip (reserve).

For the winners are prepared very nice prizes and cups of Bohemian cut glass.

This competition is unique one of this type in the Czech Republic - there will be concurrently International competitions CACIT Dobříš, competitions of Agility and Obedience in the second field and the night competition of canicross in the park of Dobříš castle. General name is International Festival of Canine Dobříš 2020.

There will be a rich accompanying program - a children's afternoon full of games and competitions, and a traditional Saturday party with music, raffle and banquet. Come to us and we will do our best for you to feel well with us.

Ing. Jaroslav Kratochvíl
General manager of competition

Dobříš is a town situated about 40 km to the South of Prague, the Capital of the Czech Republic in Central Bohemia region. It lies in the beautiful landscape in the foothills of 'Brdy highlands'. There live about 8 thousand people. The history of Dobříš dates back to 1252 and the town has been always influenced by main events forming the Czech State. The most important building is a beautiful castle belonging to the aristocratic family Colloredo-Mansfeld with the adjacent French and English park, which is open to the public.

In the sport area of MFK Dobříš is the football field with the grass surface of a good quality and the grandstand. Directly in the area of the stadium there are two restaurants. This place affords the ideal background for this competition.

The tracks will lie on the grass terrain around Dobříš. Subjects will be from felt, wood and leather.

Team competition:

This year you can again take part Team competition: you can (but you need not - isn't compulsory) form some three-person team. Name your team (for example by your country, town, Cynology Club, Breeding kennel or present idea etc.). In the competition it will be included all 9 results on 3 disciplines. During the closing ceremony the winning team will be awarded price.

Assessment of competition and titles:

The title CACIT will be awarded to the winner which gained the evaluation point in the competition for excellent or very good. The second one can gain precedence in the title Res. CACIT under the condition of fulfillment of the evaluation point. The same applies for individual breeds and titles CACT and Res. CACT. There is no right for the titles, they are awarded for the extraordinary quality performances presented during the whole competition.

In the case of sameness points, the better results in Defense decide about order. In the case there are the same points in Defense, there decide the better results in Obedience. In case of equality of all points there will be awarded the same placings.

In case of equality of points the winner of the discipline will be determined higher final ranking.

General Conditions of the participation:

- Only the dogs from the members' countries FCI fulfilling the conditions of the participation in the competitions of the category IGP can take part in this competition.
- In the category IGP 3 there is the condition the passed examination minimally IGP 2 and BH.
- All competitors are obliged to comply with the law of the protection of animals against cruelty throughout whole competition. It is strictly prohibited to use any corrective aids (spiked collars, electronic collars, etc.). All participants are also obliged to follow the rules of sportsmanship during whole competition. Violation of the above mentioned obligations will cause an immediate disqualification from the competition.
- Every dog must be explicitly identified by the number or chip and must have the valid international passport of animal.
- Only the competitors, who will send their applications before the date of the 2nd deadline, can take part in the competition.
- Handler is responsible for all the damages caused by the dog. It is necessary to keep basic hygienic rules – specially to clean-up after your dog(s)!
- The organizer is not responsible for any injury, loss or death of dogs.
- During whole event all owners/holders has to secure their animals to avoid mutual attacking or injuring people. They are also fully responsible for all damages/injuries caused by their not secured dogs.
- The competitors have to follow the organizational instructions during the race.
- Competitors have to take part in Closing Ceremony.
- The maximal number of the competitors in a category is 54 (in exceptional case 60 competitors). In case the number of applications is higher the decisive is the date of the receipt of application by the organizer.
- Protests: it is necessary to present the protest in writing before the termination of the scoring of the event and deposit the in the value of CZK 1000,- which forfeits when the protest is unjustified. Protests are allowed only from formal reasons against breaking rules and propositions. The judge's order is final.

Veterinary conditions:

- All the participating dogs has to be clinically health
- The dogs with cropped ears (not even for the health reasons) cannot be admitted to the competition.
- In the international passport (vaccination certificate) there must be mentioned the valid vaccination against the following infection diseases: rabies.
- All the competitors are obliged to come to the attendance and veterinary control as per the time schedule. We pay your attention once again to the necessity to take part in the veterinary control of the dogs in the defined time. A dog which will not go through the veterinary control cannot participate in the competition!

- Bitches in the heat have to be reported during Presentation and has to be kept out of competition area and close surrounding areas and will be judged at the end of competition.
- Pregnant bitches more then 4 weeks and bitches after the birth less then 8 weeks are excluded from the competition.
